MEMORANDUM FOR: ODP Board of Directors
FROM : [REDACTED]
Executive Officer, ODP
SUBJECT : Board Meeting

1. Mr. May has asked that the Board convene on 15 September from 0930-1200 hrs. in room 2D-03 to address the general topic of coordination of commitments of ODP resources to customer offices. Recent developments triggering front office interest in this topic include the proposed mini-computer based system for ITG, the current ETARS project, and AMPS/CDS.

2. The meeting will start with a briefing by Mr. [REDACTED] on how Applications develops Feasibility Studies and Project Proposals, in particular how these papers are coordinated with other components. This briefing will be followed by a discussion of coordination procedures in ODP and whether any changes are needed. The discussion will cover the following questions relative to ODP commitments:

a. How do we make sure all ODP resource requirements have been identified?

b. How do we make sure that managers of these resources know what they have to provide and have agreed to do so?

c. How do we make sure ODP has a record of these agreements?

3. If you have any comments on this agenda or would like to suggest modifications to it, please get them to me before 28 July 1978.
